

# ACB 07 038

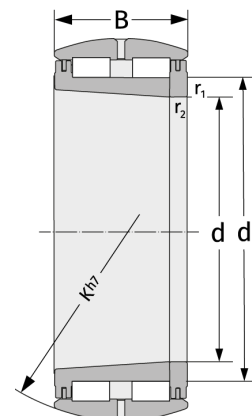

Self-Aligning Cylindrical Roller Bearings

## Details:

### Main dimensions

|        |     |                |        |
|--------|-----|----------------|--------|
| d [mm] | 190 | Weight [kg]    | ≈ 25.1 |
| K [mm] | 290 | $r_{1,2}$ [mm] | 2.1    |
| B [mm] | 110 |                |        |

### Mating dimensions

|                  |     |
|------------------|-----|
| $d_{1,max}$ [mm] | 230 |
|------------------|-----|

### Calculation data

|                             |      |
|-----------------------------|------|
| C [kN]                      | 755  |
| $C_0$ [kN]                  | 1760 |
| $n_g$ [ $\text{min}^{-1}$ ] | 540  |
